## **Criteria for HB 5: Evaluation of Performance in Community and Student Engagement Overview**

### **What is House Bill 5 (HB5)?**

House Bill 5 (HB 5) of the 83rd Texas Legislature Regular Session added Section 39.0545 to the Texas Education Code (TEC). TEC § 39.0545 requires that each school district assign ratings of exemplary, recognized, acceptable, or unacceptable for the district and for each campus on both overall performance and each of nine domains.

### **What nine domains will the district and campuses be evaluated?**

The following domains will be evaluated and a rating will be assigned to each factor. An overall rating for the district and each campus must also be assigned.

1. Fine arts
2. Wellness and physical education
3. Community and parental involvement
4. The 21st Century Workforce Development program
5. The second language acquisition program
6. The digital learning environment
7. Dropout prevention strategies
8. Educational programs for gifted and talented students
9. The record of the district and each campus regarding compliance with statutory reporting requirements

### **What are the rating labels for each domain?**

Rating labels for domains 1 through 8 and for the overall campus/district rating are:

Exemplary, Recognized, Acceptable, Unacceptable or Not Applicable.

A rating label of Yes or No will be assigned for Factor 9, compliance with statutory reporting requirements.

### **Who will determine the rating criteria and indicators?**

Statute does not permit TEA to determine the criteria for these evaluations; criteria are to be developed by a local committee. Each campus in Godley ISD developed their own criteria and at the end of each year, evaluates their campus based on those criteria. The overall District rating is based on the combination of all campus ratings.
